

# “Promoting your Business through Public Speaking”

Wind down this Friday afternoon with International presenter  
**Lance Miller**

**This will change the way you promote your business, it will energise your career; become a more effective communicator.**

Lance possesses a unique gift of simplifying life's challenges into bite size solutions that are easy to use and apply by anyone. He has delivered over 2,500 speeches in over 28 countries from Saudi Arabia to China to Ireland on the fundamentals of public speaking, leadership, effective management, sales and overcoming failure and adversity. His real life experience brings fun, lively and entertaining presentations to the podium. Lessons of leadership, integrity, responsibility and honesty are the Hallmark of his messages. Lance has an impressive bio including World Champion Speaker in Toastmasters in 2005, spokesman for a number of public organisations in the USA, plus several start-up companies including Diesel TEK Inc an environmental technology company that is providing new cost effective solutions to the diesel industry to reduce diesel exhaust emissions and greenhouse gases while increasing engine performance, fuel mileage and engine life. *For more information see [www.lancemillerspeaks.com](http://www.lancemillerspeaks.com)* and as you can see there is more than one reason for Lance to come to Cairns.
