

Toastmasters Club

Dear Guest,

Welcome to your very first visit to the _____ Toastmasters Club. We hope you enjoy our meeting, and see the wonderful benefits Toastmasters has to offer. In essence; we are about providing a supportive environment where members have fun, while developing their leadership and communication skills. Toastmasters is also about learning to speak in public which often results in other positive side-effects, such as increased confidence, greater self-esteem and the ability to relate more effectively to people in general.

Please take a moment to have a look through this pack we have prepared specifically with the guest in mind. Inside, you will find:

- An explanation of the roles within a Toastmasters meeting
- How much Toastmasters costs
- An information flyer on Toastmasters
- An application form
- A comment slip

Please feel free to ask any Toastmaster questions you might have, you will find that they are only too willing to help as they were guests once too.

The _____ Toastmasters are an incredibly friendly bunch and understand how challenging it can be to speak in public. We are a caring and compassionate group and want to help you learn and grow just as we all are.

Thank you for choosing to visit us and we look forward to your return.

Warm Regards,
